

## **British Triathlon to host training camp for disabled athletes**

**31<sup>ST</sup> MARCH 2007 – 1<sup>ST</sup> APRIL 2007**

British Triathlon are delighted to announce that they will be hosting a training camp specifically for disabled triathletes. The principle aim of the weekend training camp is to provide a high quality environment for disabled athletes of all triathlon classifications to train with high quality coaches. The training camp will be held at Loughborough University Campus utilising the competition standard athletics track, the British Swimming Olympic sized pool and air conditioned lecture facilities with conference catering. Traffic free cycle facilities will also be booked. Coaching will be based on a 1:2 ratio with all coaches being trained to British Triathlon level three. The cost of the training weekend is £40 inclusive of lunches on both days. Accommodation packages are being developed and it is anticipated that we will have accommodation to suit every budget.

The training camp is open to experience and novice disabled triathletes.

To book a place on the training camp, please complete the application form at
